

Customer Service Concerns

Barix Clinics has a positive attitude about complaints and concerns. All concerns received are reported to the Customer Relations department, where they are registered in one location, and reviewed with department managers and administration. Please let us know how we can better serve you. You may either give this completed form to your Support Group Leader to forward to us, email, call, or send to the following address:

*Forest Health Medical Center  
Barix Clinics  
135 S. Prospect
