

Community Notice

Local newspapers and community access cable stations often have a “Community” section where different civic organizations, clubs, and support groups are allowed to post notice of their meetings at no charge. Below is an example of what may be used:

Barix Clinics – America’s Leader in Bariatric Surgery - OFFERS SUPPORT IN YOUR AREA

The (your city name here) Barix Clinics™ Support Group welcomes all Barix Clinics patients, those considering Barix’s program, and supportive family members and friends to attend the (insert city) Barix Support Group. The group meets the (insert day i.e. 3rd Tuesday) of each month, from (insert time i.e. 7:00 p.m. to 8:30 p.m.) at (insert meeting place location). This support group is specifically for Barix Clinics patients, those considering Barix’s program, and their supportive family members and friends. It is not a general weight loss surgery support group. For more information you may call (insert Leaders’ name) at (insert phone #), or contact Barix Clinics at 800-282-0066.

Additional information that may be helpful:

What Happens at a Barix Clinics Support Group?

The format of a Barix Clinics Support Group meeting is structured, yet informal. Our main mission is to provide an opportunity for you as a Barix patient to connect with other Barix patients in a positive supportive atmosphere, with educational information sessions to aid your progress, while sharing individual successes and challenges. You’ll find people at varying stages, both pre-op and post-op, coming together to provide support and encouragement, trading recipes, and building new friendships. Barix Clinics Support Group meetings are specifically for Barix patients, their supportive friends and family, or those considering Barix Clinics program (who are 100 pounds or more overweight). Barix Clinics is Americas’ leader in bariatric surgery.
